# Web Site Portfolio

The screenshot shows a light gray website layout. At the top left is a teal circular icon with a white 'JN' monogram. To its right are three small social media icons: a mail icon, a Behance icon, a GitHub icon, and a LinkedIn icon. The main content area features a large photo of Julian holding a small green object. Below the photo, the text "Hello, I am Julian Narváez" and "Interactive Media Designer &Frontend Developer" is displayed. A bio follows, and at the bottom are two buttons: "Contact Me" and "Download CV". Below this is a horizontal line with a central circular icon containing a white 'JN'. Underneath are two green trapezoidal sections: one labeled "Web" with icons for HTML5, CSS3, JavaScript, Node.js, SASS, and React; and one labeled "Design" with icons for Illustrator, Photoshop, XD, Figma, Premiere, and After Effects. At the very bottom is a teal footer bar with the "JN Julian Narvaez" logo, social media icons, and the year "2021".

The screenshot shows a dark gray website layout. The top structure is identical to the first version, with a teal 'JN' icon and social media links. The main content area has a red background behind the photo of Julian. The bio and contact/cv buttons remain the same. Below the horizontal line is a red trapezoidal section for "Web" and a red trapezoidal section for "Design", both containing the same tool icons as the first version. The footer is a red bar with the "JN Julian Narvaez" logo, social media icons, and the year "2021".
